World-Class Service since 1976!

## T Shaped Wearbands

T-Shaped wearbands are manufactured from glass reinforced nylon and are found in some forklift and telescopic cylinders. They offer space saving advantages by allowing full piston length bearing contact and do not require side lands.

Part Number	Outside Diameter B	Width D	Max. Wall C
WBT0162-0437-125-N1-B	1 5/8	7/16	0.125
